

PREPARING FOR SEASON'S PLAY

Meeting of Association Football League Held Last Evening.

Plans for the opening of the association football season were discussed last night at a meeting of the Hawaiian Association Football League, held at the Scottish Thistle rooms.

There will probably be four clubs in the league, though the fourth member of the association is still somewhat doubtful. The four teams to be represented are the Maile Illimas, Hackfeld-Davies, Honolulu Association and the Wanderers. The season will open early in November.

It was decided last evening to begin practice immediately in the Makiki grounds, and Monday, Wednesday and Thursday evenings were chosen as practice nights.

There was considerable discussion also over the new rules for the game, which are much more stringent than previously. There promises to be also a stricter interpretation of the rule in regard to rough play, and the penalties for all violations are heavier.

There was discussion also of the enforcement of the rule compelling players to wear colors, and this will very likely be enforced this season.

The meeting adjourned until next Wednesday evening, when the final arrangements for the season's play will be made.

The Late Mrs. Beckwith.

On Saturday morning, September 27th, Mrs. Ellen Holmes Beckwith suddenly and silently slept. With us little more than two years, she had become one of our most valued members. Her large little class found in her a rare teacher and student of the Scriptures. In every department of Christian work, she was making herself indispensable. She leaves with us a sister, Miss Mary G. Holmes, a son and a daughter. The daughter is now visiting relatives in Honolulu. The burial service, on last Thursday afternoon, at her late home, 1939 Bonaparte Avenue, was conducted by our Pastors, with President George A. Gates of Pomona College—Leaflet of First Cong. Church, Los Angeles.

Wedding Bells Ring.

The wedding of Miss Florence Lyett and Mr. Henry A. Giles took place last evening at the residence of the bride's parents on Kinau street. Both young people are quite popular in Honolulu. Mr. Giles is connected with E. O. Hall & Son. They went to Pearl City to spend their honeymoon.

Father Valentin of the Catholic Mission performed the ceremony. Miss Ada Lyett, sister of the bride, was the maid of honor, and Mr. Robert B. Booth stood with the groom. It was a pretty home wedding, only the relatives and immediate friends being present.

Your Hands

will feel well cared for if you use a good, pure soap. We are often asked to recommend some good soap; "something that won't make the hands and face feel sore, hard and dried up," is the usual complaint from those using soaps full of alkali. Alkali cuts dirt and it cuts the tissues of the skin. If you have a cut it will make it worse. Constant use of such impure soaps will ruin any complexion.

Curative-Skin Soap

is just a pure, cleansing, healing and delightful toilet soap. It's medicinal, too, and will help nature heal up the little cuts and bruises. It never smartens. Now this soap is not costly. A cake costs 20 cents; 50 cents for a box of three. One cake should last you two months—perhaps three.

Samples Free

Commencing today we will give away a sample cake to any one for one week. We invite you to try it. We know its good. Give it the test and decide for yourself.
